**Grain Blends**

## **Boost Your Products Texture, Flavor & Nutritional Value with a Brolite Grain Blend**

Consumers are keeping a health conscious mind when deciding on which bakery goods to buy, and we know that adding a number of grains and seeds to a formula can give a finished product an extra boost. Brolite has a wide variety of grain blends including blends that are certified organic and label friendly. They add texture and flavor to any formula.

We work with our customers closely to find the best product for their formulas and their bakeries. We even create customized blends to ensure you purchase exactly what you need. With our excellent customer service and our experienced sales and research and development teams, we'll work with you.

**Together, we'll create the perfect blend.**
